July 23rd, 2021

Dear Stakeholder:

TTCD Bank Mandate Initiative for Payment of Dividends

As we continue to drive technological transformation throughout our Organisation, we wish to advise that the Trinidad and Tobago Central Depository (TTCD) will be embarking on several projects in the upcoming months, in order to promote our bank mandates as the main form of payment for dividends to shareholders.

One of our very first initiatives will be to advertise our bank mandate and its benefits via our website and social media pages, in order to raise awareness of the option. In this regard, we are seeking your collaboration and support to boost awareness, by also advertising the option on your website. The TTCD will provide the necessary content, artwork and any additional details required.

We look forward to your support and favourable consideration in this matter.

If you require any further information or clarification, please do not hesitate to contact Ms. Lisa Marie Samai, *Corporate Action Head* at 625-5107 ext. 242 or lsamai@stockex.co.tt.

Sincerely,

Eva Mitchell
Chief Executive Officer
